

## International Roaming Guide

### Stay Connected Abroad

NovaConnect offers comprehensive international roaming options to keep you connected while traveling. Choose the option that best fits your travel needs.

### NovaRoam Passes

- Daily Pass: \$10/day - Unlimited data, calls, texts in 50+ countries
- Weekly Pass: \$50/week - Same benefits, better value
- Monthly Pass: \$150/month - Best for extended travel

### Covered Countries

NovaRoam is available in 180+ countries including:

- North America: Canada, Mexico
- Europe: UK, France, Germany, Spain, Italy, and more
- Asia Pacific: Japan, South Korea, Australia, Singapore
- Latin America: Brazil, Argentina, Chile, Colombia

### How to Activate Roaming

Activate international roaming before you travel:

- Open the NovaConnect app
- Go to 'Travel & Roaming'
- Select your destination country
- Choose your preferred pass
- Confirm activation

### Important Tips

- Enable roaming in phone settings when abroad
- Download maps and content before traveling
- Use WiFi when available to conserve data
- Emergency calls work even without an active roaming pass
